

Warranty: 3 years on site with assembly / disassembly (55")

Réf. : GAR-EI-55-3SS

3-year warranty for SpeechiTouch and CleverTouch 55 inch interactive displays, with on-site repair or replacement including assembly/disassembly.

Description détaillée

The 3-year on-site extension of the warranty with assembly/disassembly allows you to guarantee your 55" interactive screen for 3 years (from the date of purchase). In case of malfunction or material defect, our technicians repair the screen on site or replace it with an equivalent product.

This warranty also includes dismantling the defective screen and reassembling it once the repairs or replacement(s) have been carried out.

Guarantee conditions

The warranty covers defects resulting from a material or manufacturing problem. However, limitations and exclusions apply.

For the specific terms of the warranty, refer to the following document: [Precise description of the guarantee \(PDF\)](#).
