

# Mobile support for a non-height-adjustable screen

Réf. : ST-SUP-MOB-SIM-002-PACK

This screen mount is ideal for those who are looking for a quick to mount, mobile and stylish stand :

- Le montage de ce support est particulièrement rapide et facile.
- Its wheels equipped with brakes allow it to be positioned securely.
- Its C-shaped base gives it an aesthetic that fits everywhere.
- It has a sturdy steel structure.
- A cable grommet in its column hides unsightly cables by making them reappear at the bottom of the bracket.
- VESA mounting bars allow multiple screen sizes, from 55" to 86", to be attached to the mount.
- Its support shelf allows you to put your screen accessories on it.
