

Aesthetic mobile support for a non-height-adjustable screen

Réf. : ST-SUP-MOB-SIM-003-COMP

Montage :  facile  rapide.

This screen mount is ideal for those who are looking for a quick to mount, mobile and stylish stand :

- The assembly of this support is particularly quick and easy.
- Its wheels equipped with brakes allow it to be moved and positioned in a secure manner
- Its inverted Y-shape gives it great stability by centering the weight of the screen.
- Its rounded structure and anthracite colour give it a pleasing appearance.
- VESA mounting bars allow multiple screen sizes, from 55" to 86", to be attached to the mount.

With its modern shapes and contemporary colour, it will easily fit into co-working spaces and meeting rooms with a sleek design.
